Disasters at Sea During the Year 1846 .-The report on commerce and navigation shows the number of disasters which have occurred at sea during t'ie year ending June 30, 1846. The number of vessels lost was 142, (40 ships, 24 brigs, 64 schooners, and 14 sloops,) of the aggregate tonnage of 26,897, against 120 vessels, (24 ships, 33 brigs, 57 schooners and 6 sloops) in 1845, of the aggregate tonnage of 20,309 tons. The number of steamers lost in 1846 was 22, of the aggregate tonnage of 4314 tons-bélonging, 1 to Mobile, 1 to Apalachicola, and 20 to St. Louis; against 8 in the year 845, of 1231 tons-belonging, 1 to New Oreans and 7 to Cincinnati.

Since the report, the September and October gales, whose destructive effects have already een recorded, have occurred. They will help to swell the list of disasters next year. The life of a seaman is proverbially one of suffering and hardship, and from the facts annually recorded of losses, would appear to be also one of unusual risk and danger to life. Yet accurate statistics prove that the average of human life is wisely maintained in all professions, and that scamen in the aggregate are as safe as those employed in trades or prafessions upon land. The introduction of temperance principles into the maritime service, is doing much to ameliorate the condition of seamen. It is producing habits of economy among them, enabling them to save their hard-earned money, instead of squandering it heedlessly, besides adding to their greater security and comfort while at sea.

WRIGHT'S INDIAN VEGETABLE PILLS, in addition to being one of the best anti-bilious medicines in the world, possess a power in removing pain, which is truly astonishing. Four or five of said Indian Vegetable Pills, taken every night on going to bed, will in a short time completely rid the body of those morbid humors which, if lodged in the liver, are the cause of pain in the side, sometimes extending through to the shoulder blade, difficulty of breathing, nausea and sickness, loss of appetite, costiveness, indigestion, flatulency, swarthy or yellow complexion, and other symptoms of an inflammation or torpid state of the liver. Wright's Indian Vegetable Pills also thoroughly cleanse

the stomach and bowels of all bilious humors, and other impurity, and therefore are a certain cure for cholic, dysentery, cholera morbus, and every other disorder of the intestines. They also aid and improve digestion, and consequently give health and vigor to the whole frame, as well as drive disease of every name from the BEWARE OF COUNTERPEITS. - The public are cautioned
